Transport

- Warsaw Chopin Airport - located just 12 km from the center of the city, You can access the city center from the Chopin airport by a public bus (no 175), train (convenient railway connection to the main train station Warszawa) or taxi. You can find more information at the airport webpage: <http://www.lotnisko-chopina.pl/en/index.html>

When using taxis in Warsaw, it is strongly recommended to use ones with the following: a number stuck to the side of the vehicle, a hologram with the license number and the vehicle's registration number on the upper right-hand corner of the front glass and a sticker with price information per kilometer that must be displayed on the glass of the right-hand side of the back door. Taxi from the Warsaw Chopin Airport to the city center should cost 45-50 PLN (12-15 EUR).

- Warsaw Modlin Airport – a second airport recently opened in Modlin, approx. 40 km away. Modlin services low cost airlines (e.g. Ryanair). Warsaw – Warsaw-Modlin Airport line: <http://en.modlinairport.pl/modlin-en-new/web/passenger/access/modlinbus.html>

Warsaw's public transport contains buses, the underground – 2 lines ("metro" M1 and M2) and trams. For all means of city transport the same tickets are valid. Normal fare on public transport in Warsaw, no matter if you travel by bus, tram or the underground is 4.40 PLN (approx. 1 EUR).

You can obtain tickets from newsstand, from the driver (this may make extra cost) and from ticket vending machines (also installed in some trams and buses).
